Keeping White Floors White

Most housekeepers would prefer to keep the kitchen floor unpainted and "in the white," were it not for the labor of keeping such a floor in satisfactory condition. However, the work of scrubbing will be lightened and milk-white floors can be easily attained, by dissolving in each pailful of warm water a tablespoon of Gold Dust washing powder. If scrubbed this way each week old stains that seem to be ground into the wood will soon disappear altogether. This is also excellent for scrubbing stone steps and wood work.

THE OPINION OF AN EXPERT POULTRY BREEDER.

Poultry breeders who have gained a reputation for the reliability of their stock either for exhibition or for general purposes are the ones whose example is well worth following. C. A. Browning of Apponaug, R. I., is such a one, and what he says about poultry food is therefore of especial interest and value. He says, in a recent letter: "I have found 'Page's Perfected Poultry Food' to be a first-class article. I feed it the year round. Chickens need it when they are growing; pullets need it when they are laying; and later, during the moulting period, it is a great help."

If you want to know more about this food and the best ways of using it, write to C. S. Page, Hyde Park, Vt., for his booklet, "Profitable Poultry." It will be sent free, postpaid, to anyone mentioning this paper.

DEMOCRATS TO CAUCUS.

Vote to, in Spite of Gov.-elect Foss' Objections.

Boston, Dec. 5.—Twelve of the fourteen Democratic senators-elect in the 1911 general court voted Saturday unanimously to hold a caucus for United States senator, and there is every reason to suppose the two absentees, Senators-elect John H. Mack of Berkshire and Dennis E. Halley of Essex, will take the same position.

The gathering was held Saturday afternoon at a local hotel, of which the

owner and manager is Senator-elect Michael J. Murray of the ninth Suffolk district. It was just a get-together to have the new men meet the old members, and it was very informal.

But the sentiment was wholly against Governor-elect Foss' proposition of no caucus. There were present Senators-elect John F. Malley and Francis X. Quigley of Hampden, Roger Sherman Hoar of Middlesex, and Edward J. Grainger, James A. Hutton, Joseph P. Lonsamey, James H. Doyle, James F. Powers, James P. Timilty, Martin P. Corley and Michael J. Murray of Suffolk, and John H. Hunt of Worcester.
